Scholarships may be used to enter, continue, or complete a bachelor's degree or an associate degree at an accredited college or university. Graduate school students are not eligible for assistance.

Scholarship awards are based upon several criteria including awareness of personal goals, academic achievement, financial need, and the ability to communicate in writing.

Applicants are required to complete a brief application form and must offer proof of enrollment in classes totaling six semester hours per semester (or the equivalent) in an accredited two or four year program.

Completed applications must be postmarked by March 21, 2008 to be considered. There will be no exceptions to this deadline.
