October 2007

On Friday, October 27th, we will inaugurate Dr. Gary Streit as the 12th president of Malone College. Over the years, it is on such occasions that I typically well up with emotion as I remember God's faithfulness to this college.

I am struck by how many times in scripture God told the children of Israel to remember – to not forget. Remember the Lord's goodness, remember the Lord's provision, remember, remember – and do not forget the One who has brought you all this way (see Deuteronomy 8.). The installation ceremony next Friday will be a time to both remember God's faithfulness and to look ahead with great anticipation to all that will be accomplished under the new leadership of Dr. Streit.

Come, remember, celebrate, and do not forget!
