

Program Name: Counseling and Psychology, Graduate Programs in Clinical Mental Health Counseling and School Counseling Assessed by - Dr. Natalie Thornberry, Director, Department of Counseling & Psychology

Date/Cycle of Assessment:

Reporting cycle of Fall 2022 – Summer 2023

Mission Statement:

Built on Malone University's Foundational Principles, the graduate programs in the Counseling and Human Development department provide knowledge, practice, and skills through educational and clinical experiences, developing professional counselors as intentional practitioners who advocate for client/student growth and development.

Program Objectives (POs)/CACREP Key Performance Indicators (KPIs)

PO-01/KPI-01: Students will demonstrate their acquired knowledge of professional counseling identity, roles, advocacy strategies, and skill in the application of professional principles and ethical standards of counseling practice.

PO-02/KPI-02: Students will demonstrate acquired knowledge and skills in the use of multicultural counseling competencies.

PO-03/KPI-03: Students will demonstrate acquired knowledge and skill in the use of developmental theories and approaches across the lifespan.

PO-04/KPI-04: Students will demonstrate acquired knowledge and skill in career development, career assessment, and vocational enhancement strategies.

PO-05/KPI-05: Students will demonstrate acquired knowledge and skill in the professional, ethical and culturally relevant use of theories, techniques, and interventions, throughout the counseling process.

PO-06/KPI-06: Students will demonstrate acquired knowledge and skill in group theories, techniques, dynamics, processes, and group counseling practice.

PO-07/KPI-07: Students will demonstrate acquired knowledge and skill in the professional, ethical, and culturally relevant use of assessment and testing in counseling practice.

PO-08/KPI-08: Students will demonstrate acquired knowledge and skills in the use of research and program evaluation for the enhancement of counseling practice.

Specialty Area Competencies: Clinical Mental Health Counseling

PO-09/KPI-09 (CMHC): Students will demonstrate acquired knowledge and skill in the use of theories, models, documentation formats of case conceptualization, assessment, diagnosis, and treatment planning and implementation, and ethical, culturally relevant and evidence-based strategies to provide effective counseling practice.

Specialty Area Competencies: School Counseling

PO-10/KPI-10 (SC): Students will demonstrate acquired knowledge and skill in the application of theories, techniques and interventions, and the development, coordination, and evaluation of effective school programs, and the ethical and culturally relevant strategies for the provision of effective counseling practice.

Counseling Dispositions

PO-11/KPI-11: Students will demonstrate characteristics (counseling dispositions) related to the domains of 1) clinical astuteness, 2) intrapersonal skills, 3) interpersonal skills, and 4) professionalism and ethical practice in counseling.

Licensure Exam Passage Rates:

PO-12/KPI-12: Students will meet standards and requirements for state licensure and certifications.

**Counseling and Psychology's
Academic Program Assessment Report**

Department: Counseling and Psychology

Programs: Clinical Mental Health Counseling Program and School Counseling Program Assessed

by: Dr. Natalie Thornberry, Program Director

Time Period Covered: Fall 2022 – Summer 2023

Program Intended Learning Outcomes	Means of Program Assessment & Criteria for Success	Summary of Data Collected	Use of Results: Actions
