

MALONE UNIVERSITY PROFILE

MALONE UNIVERSITY WAS FOUNDED IN 1892 as the Friends Bible Institute and Training School by Friends couple Walter and Emma Malone. The first classrooms were located in a rented home in Cleveland, Ohio. In 1957, with more young men and women arriving from neighboring states, the college relocated to Canton, and was renamed Malone College in honor of its founders. The curriculum also changed, and Malone became a Christian liberal arts college. In 2008, Malone College became Malone University. A fully accredited Christian university, Malone offers a strong educational experience based on biblical faith.
