

Essay Responses for the Master of Science in nursing application- to be submitted with application as directed by your admissions counselor. Please be thorough, yet concise in your responses for a *minimum* of two and a maximum of four, double-spaced typewritten pages. Please include the following components:

- Describe the reasons for choosing this particular master in nursing degree as opposed to alternative master in nursing degrees.
- Describe your personal and professional characteristics that will contribute to success in your program of study in advanced practice nursing.
- Identify three long-term goals (3 to 5 years) and explain how an advanced practice degree will assist you in meeting each goal.
