

Field Safety Quiz

Please print this sheet, complete the quiz, sign and date the form at the bottom, and return to Terri Pearson in the Social Work Office (CC 106).

True/False: Circle "True" if the statement is true. Circle "False" if the statement is false.

- True False 1. A hostile work environment exists only when abusive language is directed at a student.
- True False 2. Sexual harassment typically occurs in situations in which the perpetrator has an equal amount of power as the victim.
- True False 3. Males are more likely than females to act in a violent manner.
- True False 4. Gender is the strongest predictor of violent behavior.
- True False 5. Appropriate environmental safety precautions include hiring armed guards to search all clients entering a social service agency.

Multiple Choice: Circle the letter which corresponds to the best answer.

6. Which of the following are examples of environmental safety measures that social workers can take to reduce the likelihood of client violence?
- a. calm lighting and decorations c. psychotropic medication
- b. physical restraint courses d. speaking quickly and loudly
