## COLLEGE & CAREER FAIR PLANNING

Prior to meeting with college representatives, students and parents should establish a list of priorities. To make a realistic selection of a college or university consider the following factors:

- Admission requirements
- Public or private
- Cost
- Nature of the student population
- Location
- Enrollment
- Majors offered

## BE PREPARED

Many representatives will ask you for your name and address so they can send you additional information. Be prepared with your own list of questions to ask by using these topics as a guide:

### ADMISSIONS POLICIES

- What high school courses are required?
- What entrance tests are required? What are acceptable scores?
- Does the college require a certain grade point average or rank in class?
- Will my activities and involvement in high school be considered?
- Is there an early decision or early action plan?
- What decision making process is used?
- Are personal interviews, essays or letters of recommendation required?

### THE COLLEGE

- Where is the college located?
- What is the surrounding community like?
- Is the college public, private or parochial?
- What special programs are offered?
- Does the college have general education requirements?
- Is the college on semesters or quarters?
- Does the college offer summer classes?
- Where do the majority of students come from?

### STUDENT POPULATION

- What types of activities are available?
- Do most of the students commute or live on campus?
- Are there sororities and fraternities on campus?
- What athletic programs are available?
- Is the surrounding community supportive of the college?
- Does the campus have a visitation program?
- Is housing guaranteed for freshmen?

### ACADEMICS

- What is the average class size? Smallest? Largest?
- How many students complete a degree?
- Does the college offer career advising and job placement?
- Do students graduate in four or five years?
- What are the most popular majors?
- Are students taught by full-time faculty members or teaching assistants?
- What percent of graduates are accepted into graduate school?
- Are academic advising services available?

### FINANCIAL AID

- What financial aid form does the college require?
- What percent of students receive financial aid?
- When are the financial aid filing deadlines?
- Does the college offer on-campus student employment?
- What types of grants, scholarships and loans are available?
- How is financial aid awarded?
- Are there special scholarships for leadership, athletics, the arts or academic achievement?
